### **Summit on Practical Sources of Alternative Energy**

Copper Mountain College, the Basin Wide Foundation and Joshua Tree National Park are jointly sponsoring a one-day conference on alternative energy sources as they apply to residential and commercial structures. Governor Arnold Schwarzenegger has been invited to be the keynote speaker. Admission to the October 6th event in Joshua Tree, CA is by pre-registration only. To receive a complete information package, call Ms. Jennifer Lukus at (760) 366-3791, ext. 5308. Or visit the SoPAE web site at [www.sopae.org](http://www.sopae.org). Early registration is suggested.
